BENEFITS

Why choose us?

Most people typically sell through estate agents, which can take a long time and with no guarantee of a sale.

Quick house sale
From the initial enquiry to the sale completing, and the money being in your bank, we can complete the entire process in as little as 7 days if needed. There's no quicker way to sell your house.

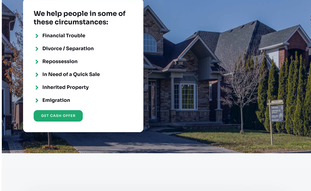
You are in full control of the timescale
Quick Move Now offers you a guaranteed, quick property sale. We can tailor to your unique property purchase for a smooth and hassle-free sale.

Guaranteed property sale
Once you've accepted our formal cash offer, the sale is guaranteed (subject to an independent RICS survey). This means you can relax knowing your property chain collapses, unlike traditional sales. We're confident in our ability to strike a strong position to negotiate on the price you pay for your next home.

No hidden costs
All fees associated with a traditional house sale are included in our offer. Unlike estate agent fees or EPC costs to pay. We will even cover your legal fees.

No hassle
Selling your house quickly to Quick Move Now takes away the inconvenience and delays associated with a traditional house sale.

No expense before selling
We can buy any house in any condition, so there's no need to pay for expensive repairs or redecorating before you sell.



We help people in some of these circumstances:

- Financial Trouble
- Divorce / Separation
- Repossession
- In Need of a Quick Sale
- Inherited Property
- Emigration
